

FERPA CERTIFICATION

The Family Educational Rights and Privacy Act ("FERPA") requires assurances in writing when disclosure is made to the Juvenile Justice System.

_____, acknowledges that they have received information from Fargo Public Schools, as authorized under N.D.C.C. § 15.1-19-13 and 34 C.F.R. § 99.31(a)(5)(i). Fargo Public Schools has disclosed student records and information, as the disclosure concerned the Juvenile Justice System and the System's ability to effectively serve the student whose records are released.

N.D.C.C. § 15.1-19-13, which allows the disclosure of the student record, was enacted in 2001. _____, understands that the student records, which were disclosed, cannot be further disclosed to any other party, except as allowed under North Dakota law, without the prior written consent of the parent of the student.

This certification is valid until revoked in writing by either party.

Dated this _____ day of _____, 20____.
